**Objective/Description**

The investment seeks income and long-term growth of capital. The fund normally invests primarily in a portfolio of income-producing equity securities (although investments are also made in non-convertible preferred stocks and debt securities). It may invest up to 25% of total assets in securities of foreign issuers. The fund may invest up to 15% of total assets in real estate investment trusts. It may purchase and sell options, futures contracts and options on futures contracts, which are derivative instruments, for various portfolio management purposes, including earning income, to facilitate portfolio management and to mitigate risks.

There is no assurance the objectives of the Fund will be met.

**\*Fees that Prudential Retirement and its affiliates receive in connection with plan investments in this fund include a finder's fee, a 12b-1 fee of 0.50%, and an annual sub-accounting and/or servicing fee of 0.30%.**

Such fees, if applicable to this fund, compensate Prudential Retirement for selling the fund's shares and servicing your retirement plan. The fund's expense ratio includes these fees. Other investment options may generate more or less revenue than the fees associated with this fund. If the aggregate revenue from your plan exceeds our associated costs, we earn a profit. Otherwise, we incur a loss. Other share classes of this fund may have a lower expense ratio, but your plan's investment options do not include such shares to compensate us for distribution and plan servicing.

**Performance:** The performance quoted represents past performance. The investment value and return will fluctuate so that an investment, when redeemed, may be worth more or less than original cost. Past performance does not guarantee future results. Current performance may be lower or higher than the performance quoted. For performance data current to the most recent month end, please call 1-877-778-2100. These performance results represent the change in net asset value of an investment over a stated period, assuming the reinvestment of dividends and capital gain distributions.

**Market Timing:** Frequent exchanging of investment options may harm long-term investors. Your plan and/or the fund have policies to detect and deter exchanges that may be abusive. Those policies may require us to modify or suspend purchase or exchange privileges.

**Prospectus:** Investors should consider the fund's investment objectives, risks, charges and expenses before investing. The prospectus, and if available the summary prospectus, contain complete information about the investment options available through your plan. Please call 1-877-778-2100 for a free prospectus and if available, a summary prospectus that contain this and other information about our mutual funds. You should read the prospectus and the summary prospectus, if available carefully before investing. It is possible to lose money when investing in securities.
