**Objective/Description**

The investment seeks long-term growth of capital. The fund invests in a diversified portfolio of international equity securities whose issuers are considered by the management to have strong earnings momentum. It focuses on marketable equity securities of foreign companies that are listed on a recognized foreign or U.S. securities exchange or traded in a foreign or U.S. over-the-counter market. The fund normally invests in the securities of companies located in at least four countries outside of the United States. It invests no more than 20% of total assets in companies located in developing countries.

There is no assurance the objectives of the Fund will be met.

*Investing in foreign securities presents certain unique risks not associated with domestic investments, such as currency fluctuation and political and economic changes. This may result in greater share price volatility.*

**\*Fees that Prudential Retirement and its affiliates receive in connection with plan investments in this fund include a 12b-1 fee of 0.25% and may include an annual sub-accounting and/or servicing fee of 0.45%.**

Such fees, if applicable to this fund, compensate Prudential Retirement for selling the fund's shares and servicing your retirement plan. The fund's expense ratio includes these fees. Other investment options may generate more or less revenue than the fees associated with this fund. If the aggregate revenue from your plan exceeds our associated costs, we earn a profit. Otherwise, we incur a loss. Other share classes of this fund may have a lower expense ratio, but your plan's investment options do not include such shares to compensate us for distribution and plan servicing.

**Performance:** The performance quoted represents past performance. The investment value and return will fluctuate so that an investment, when redeemed, may be worth more or less than original cost. Past performance does not guarantee future results. Current performance may be lower or higher than the performance quoted. For performance data current to the most recent month end, please call 1-877-778-2100. These performance results represent the change in net asset value of an investment over a stated period, assuming the reinvestment of dividends and capital gain distributions.

**Market Timing:** Frequent exchanging of investment options may harm long-term investors. Your plan and/or the fund have policies to detect and deter exchanges that may be abusive. Those policies may require us to modify or suspend purchase or exchange privileges. The fund may also impose a redemption fee of 2% on shares redeemed or exchanged within 30 days of purchase.

**Prospectus:** Before investing, investors should carefully consider the investment objectives, risks, charges and expenses of this fund and other plan investment options. For more information about this fund, please call 1-877-778-2100 for a prospectus that contains this and other information. Please read the prospectus carefully before investing. The performance quoted above does not reflect sales charges that may apply when fund shares are purchased outside of a retirement plan. If such sales charges were reflected, performance may be lower. It is possible to lose money investing in securities.

Benchmark performance including the index is unmanaged and cannot be invested in directly. See User Guide for Benchmark definitions.
